

Lakeside Cemetery

To: Lakeside Cemetery Family Members, Property Owners, and Friends

From: Lakeside Cemetery Committee and the City of Conway

Lakeside Cemetery Committee is committed to preserving and maintaining the historical integrity and beauty of the Lakeside Cemetery. The City of Conway maintains the cemetery by removing trash and mowing. **Since this is not a perpetual care cemetery, property owners and their descendants are responsible for the upkeep of individual plots.**

In order to preserve and beautify the cemetery, funds have been collected through the years from property owners and benefactors. These contributions funded the following projects:

- 1) New columns for both entrances
- 2) Gates for both entrances
- 3) Lighting for the columns
- 4) Roof repairs to the gazebo
- 5) Brick flooring inside the gazebo
- 6) A fountain near the main entrance
- 7) A walkway around the fountain
- 8) A cross erected near the main entrance
- 9) Repairs/replacement of doors to mausoleum
- 10) A memorial plaque on mausoleum
- 11) Brick wall along Lakewood Avenue

Your contribution(s) to Lakeside Cemetery help to continue the effort to beautify and maintain this historical setting. Please consider making or having donations made in honor of or in memory of your loved ones or consider making a bequest. **Contribution forms are available online for your convenience at:**

<https://horrycountyhistory.org/lakeside-cem-qr-code-page/>
Please send donations (checks only) and forms to:

City of Conway
Attn: Lakeside Cemetery Committee
1000 Second Ave.
Conway, SC 29526

Thank you for your support to help preserve, beautify, protect, and provide for the continued upkeep and maintenance of our beloved and historic Lakeside Cemetery.

Sincerely,
Lakeside Cemetery Committee Members
& the City of Conway
